

Our creative team is putting together an incredible photo day experience production for your dancer. **Parents are to check their dancer in at the IMDP lobby with their dancer in FULL hair and makeup dressed in the costume for their first-class photo of the day 15 minutes prior to the scheduled time listed.** If your dancer is in multiple routines, please have each costume and shoes with you to help your dancer change in our designated changing areas at the dance studio. If your dancer will be taking photos on multiple days during picture week, please follow the same guidelines. If your dancer is changing costumes on site, they must have a nude colored leotard with clear straps as indicated in the Revue Handbook. **All photo sessions will be closed to parents.**

Parents wanting individual photos of their dancer in costume will need to fill out the form sent via email before April 22nd. If you are unable to locate that email you can always find the form in your class BAND app or on our website under the Revue 2023 tab.
