### Workshop and Competition Fees

Please understand many organizations have raised their fees between 10% -15% from the 2023 competition season. The rise in cost is not coming from IMDP, but from the competitions the IMDP staff chose to attend this season. Please remember all entries take time to input into each separate event system. An added IMDP front office input fee is always added to accommodate the office staff entering each routine for each event.

The above events have been notified that all observer band registrations must go through the IMDP front office. A formal request for observer bands must be emailed to the IMDP front office at [info@imdance.org](mailto:info@imdance.org) two weeks before the IMDP event registration due date and paid for in full with the event fees. There are NO guarantees that observer bands will be available as it is at the discretion of each event the limit and availability.

*Please understand competition events have been known to raise their fees mid-season. If this does occur and an event raised their entry fee after this fee sheet has been posted please note it will increase the fees listed on this sheet.*

A 3.5% convenience fee is added to all choreography, costume and event fees paid via credit card.
